PM	Ward	Ward	PGME	DCU	Theatre
Educational Activities					
XRay Wed pm Audit monthly FY1 lunch time meetings					
Other Comments					
Highlights/opportunities/unique features of post. Why you would recommend it to applicants.					
<p>This post offers good training in general medicine as well as the specifics of urology as most patients have considerable medical co-morbidity. Acute surgical situations are also prevalent and time is available to attend theatre sessions and OP if you are well organised. Regular Audit sessions provide you with the opportunity to complete this gap in your portfolio of CPD. There is good support via FY2, SpR and Consultant cover.</p>
