

Foundation Job Description

Foundation School (Delete as appropriate)		Programme No. (eg. L006 OR T102)*:			
LNR		AL043			
Year (Delete as appropriate)	Specialty:			Subspecialty (If appropriate):	
F1	Trauma and Orthopaedic Surgery			Orthopaedics	
Site:			Trust:		
Kettering General Hospital			Kettering General Hospital NHS Foundation Trust		
Main duties:					
<p>The majority of the workload will be in relation to managing patients admitted under the Orthogeriatric pathway. These are patients who have sustained traumatic fractures of their hip. Your role will be to participate in/undertake daily orthogeriatric ward rounds accompanying the consultant. You will develop skills in managing acutely unwell patients, helping in perioperative care, contributing to patient management and preparing for discharge as well as developing skills in bone health to help prevent future fractures. You will also have opportunities to develop general orthopaedic skills by attending clinics and theatre sessions as well as attending weekly teaching.</p> <p>The clinical supervisor for this post is Mr S Shyamsundar.</p>					
Example Timetable					
For example: W/R (Outpatients), MDT, Meetings, X-Ray Conference etc					
	Mon	Tues	Weds	Thurs	Fri
AM	Ward	Ward	Ward	Ward	Ward
Lunchtime			FY1 Teaching		
PM	Ward	Ward	Theatre	Clinic	T&O Teaching
Educational Activities:					
<p>Trauma & Orthopaedic Surgery teaching session each Friday afternoon. Theatre and clinics offer educational opportunities. You will also need to attend mandatory weekly generic F1 teaching sessions on Wednesday lunchtimes.</p>					
Other Comments (if appropriate):					
<p>The post offers an opportunity to: manage acutely unwell patients post-operatively; manage patients with acute delirium & dementia; liaise with multidisciplinary teams. The post offers flexibility to attend clinic and elective theatre list and Trauma surgery theatre.</p> <p>This post is unbanded.</p>
