

# Foundation Job Description

<b>Foundation School (Delete as appropriate)</b>		<b>Programme No. (eg. L006 OR T102)*:</b>			
LNR		AL044			
<b>Year (Delete as appropriate)</b>	<b>Specialty:</b>			<b>Subspecialty (If appropriate):</b>	
F1	General (Internal) Medicine			Respiratory Medicine	
<b>Site:</b>			<b>Trust:</b>		
Kettering General Hospital			Kettering General Hospital NHS Foundation Trust		
<b>Main duties:</b>					
<p>Ward based care of respiratory patients. Respiratory patients will be based on Harrowden A&amp;C wards. The ward will also have general medical and heart failure patients. There are consultant teams and each week there is a rota allocating doctors to the relevant teams. Working hours are 9am-5pm with on-calls on MAU as per the rota. There are planned admissions for thoracoscopy as well as for pleural procedures (biopsy and pleural effusion drainage). The team is currently supported by 5 consultants, 6 registrars and 7 SHO grade trainees. The workforce is likely to expand in the near future with the addition of a Physicians Associate.</p> <p>The clinical supervisor for this post is Dr R Reddy.</p>					
<b>Example Timetable</b>					
<b>For example: W/R (Outpatients), MDT, Meetings, X-Ray Conference etc</b>					
	<b>Mon</b>	<b>Tues</b>	<b>Weds</b>	<b>Thurs</b>	<b>Fri</b>
<b>AM</b>	W/R	W/R	W/R	W/R	W/R
<b>Lunchtime</b>	Departmental Meeting		FY1 Teaching		Medical Grand Round
<b>PM</b>	Ward	Ward	Ward	Ward	Ward
<b>Educational Activities:</b>					
<p>Monday lunchtime there is a Respiratory meeting where all members of the team will give teaching on a chosen topic.</p>					
<b>Other Comments (if appropriate):</b>					
<p>The Respiratory seniors (SpRs and Consultants) are keen for juniors to be involved with all aspects of care including procedural skills if you are interested.</p> <p>You will be part of the general medical on call rota, working either day or night shifts with the post attracting a 40% pay banding currently. The shifts start and end with a full 30 minute handover between the day and night teams. We have recently introduced a Hospital @ Night team to support the on call team out of hours. In addition, there is a dedicated on call cardiology service and Kettering is the Primary PCI centre for the county. We also have a dedicated GI bleed rota delivered by our consultant gastroenterologists out of hours.</p>
