Friday 12th May 2023

Birmingham Dental Hospital: Clinical Skills

Day Session

09.00

Complete Denture

CPD Hrs = 6

Professor Riaz Yar

Specialist Prosthodontist

To provide a solid set of principles in complete denture fabrication focusing on correct diagnosis, impressions, bite registration trial insertion and definitive insertion with aftercare.

Objectives

- Define the principles of provision of complete dentures in a general dental practice setting.
- Identify the methods of obtaining and interpreting diagnostic casts and gathering relevant information in formulating a diagnosis, prognosis and treatment plan for patients requiring complete dentures.
- Describe the planning, design prescription and delivery of effective complete prostheses, including communication with the dental laboratory team, to provide effective patient care.

Learning Content

- Describe the planning, design prescription and delivery of effective complete prostheses, including communication with the dental laboratory team, to provide effective patient care.
- Can demonstrate how to take excellent impressions for complete dentures and their importance (based on the initial diagnosis of each edentulous case).
- Perform accurately inter-arch relationship records and know when to take a facebow record, including assessment of tooth shape and size.

GDC Outcomes: A C

16:00

End

Friday 9th June 2023

Remote/Practice

Day Session

09:00

MS3 case preparation

CPD Hrs = 6

End

FDs to be present for both sessions

Friday 23rd June 2023

Birmingham Dental Hospital

Day Session

09.00

Finances, Accounts & Contracts

CPD Hrs = 6

Andrea Ogden (BDA), Nick Etheridge (Wesleyan), Mor

Provide Foundation Dentists with the skills to better manage their own financial situations and also to understand the contractual arrangements when applying for associate positions in general dental practice.

Objectives

- *Inform Foundation Dentists of the relevance of finance to their personal and professional lives, alongside the requirements for financial management and record keeping for personal and practice situations.*
- *Identify the benefits and differences to different types of professional contracts and the associated financial responsibilities.*
- *Evaluate the methods of remuneration for dental employees and self-employed associates including the associated taxation, superannuation and income protection processes applicable within the UK.*

Learning Content

- *Describe the requirements for financial record keeping and management at an individual and practice level.*
- *Define the HMRC requirements for general dental practitioners at both a personal and practice level.*
- *Recognise the importance of good personal financial management regarding income, employment, income protection and pension provision, both within and outside the NHS.*
