Educational Supervisors Working Pattern

Please complete the timetable below to show each Educational Supervisor is present at the Practice. Educational Supervisors need to be present in the practice at the same time as the FTs for a minimum of three days per week (or, in the case of joint ESs for a minimum of three days a week in the same practice in the aggregate).

the same pra	ctice in the ag	gregate).

Proposed Nursing Support for your Foundation Therapist

It is important that your FT secures stable support from a suitably experienced dental nurse. NHS England Midlands request that the nurse(s) that work with your FT should be qualified unless there are truly exceptional circumstances (this must be discussed with your Scheme TPD and the Associate Dean).

We would not expect more than three nurses to be working with an FT in a typical week as this will negatively impact stability of support for your trainee.

negatively impact stability of support for yo	our trainee.
Please list the details of nurses you anticipa	ate will be working with your FT.
Nurse One	
First Name	
Last Name	
GDC Number	
Anticipated working sessions with FT	
Nurse Two
