

Foundation Job Description

Foundation School (Delete as appropriate)		Programme No. (e.g. L006 OR T102) <i>Can be found on the Trent/LNR Allocation Spreadsheet</i>			
LNR		L005			
Grade (Delete as appropriate)	Specialty:	Subspecialty (If appropriate):			
F1	General Surgery	Colorectal/Upper GI			
Site:		Trust:			
Leicester Royal Infirmary		University Hospitals of Leicester NHS Trust			
Main duties:					
<p>The colorectal and upper GI FY1 posts offer experience in the elective management of colorectal and upper GI patients undergoing major surgery for both benign and malignant disease and provides ample opportunity to gain the competencies necessary to complete FY1. In addition, there is the opportunity to gain experience in the management of critically ill surgical patients, both in the emergency and elective setting. The duty rota is based on normal days, long days and nights and there are 14 FY1's on the rota. FY1's will primarily be involved with the care of surgical in patients, but there are many other learning opportunities, as outlined in the above timetables, and FY1's are encouraged to attend as many of the other clinical activities of the firm, as possible. It is expected that the FY1's on this firm will work closely together to help achieve their educational goals, and that they will support the FY1's on the other surgical firms, at LRI. Clinical and educational support for this activity provided by the consultant surgeons and higher surgical specialty trainees.</p>
