

# Foundation Job Description

<b>Foundation School (Delete as appropriate)</b>		<b>Programme No. (eg. L006 OR T102)*:</b>			
LNR		L013			
<b>Year (Delete as appropriate)</b>	<b>Specialty:</b>	<b>Subspecialty (If appropriate):</b>			
F2	Trauma & Orthopaedic Surgery				
<b>Site:</b>		<b>Trust:</b>			
Kettering General Hospital		Kettering General Hospitals NHS Trust			
<b>Main duties:</b>					
<p>Trauma meetings every morning to discuss patient admitted the day before or complicated cases that arise. Ward cover- Work is distributed amongst F2s and there are three orthopaedic wards. Ward rounds are usually done by consultants or registrars 3 times a week, and done by SHO's or juniors the rest of the time. Juniors need to be aware of when to refer to appropriate teams. On calls- first on call; referrals received from A+E, GPs, fracture clinic. Patient seen on on-call shifts are to be clerked in, full drug history and drug card to be written up, and those that are for theatre are to be marked, consented and booked on the theatre list. All acute referrals are seen by or discussed with on call registrars. Allocated theatre time and clinic time- provides a well round experience. Able to assist in procedures. Responsibilities can be overwhelming with influx of patients, however registrar and consultant support is always available. Fracture management can be helpful, and plaster courses, however excellent TNP support is available. Rotas are done on a weekly basis- eg one week of theatres, two weeks on Ashton, week of nights etc. Weekday on-calls are 1 day a week, except for weekends which are Fri-Sun.</p> <p>The clinical supervisor for this post is Mr Qaimkhani.</p>
