ST1 Paediatric Dentistry 2019

HEE East Midlands – East of England

HEE team/Deanery name	HEE East Midlands
Type of training post	ST1
Post information	This is a SAC recognised NTN (3 year programme) in Paediatric Dentistry. The training programme is designed to provide teaching, supervised clinical experience and independent learning. This will enable the development of a sound knowledge base and the clinical skills required for trainees to be able to deliver a high standard of care in Paediatric Dentistry.
	The post is split between Addenbrooke's Hospital Cambridge, Northamptonshire and Cambridgeshire Community Dental Services and Birmingham Dental Hospital.
	Over the three-year period the Specialist Registrar will be prepared for the Tricollegiate Membership in Paediatric Dentistry of the Royal College of Surgeons and the award of a Certificate of Completion of Speciality Training (CCST) in Paediatric Dentistry, leading to eligibility for entry of their name on the Specialist List held by the General Dental Council.
