## Main duties:

### Job Description

#### General Adult Psychiatry, Lincolnshire Partnership Foundation NHS Trust Lincoln

The FT2 post is based in Lincoln at the female acute in-patient ward.

#### Inpatient Placement (Charlesworth Ward, Peter Hodgkinson Centre, Lincoln)

This post provides experience in acute general adult in-patient psychiatry, working on a busy 22 bedded female general adult acute in-patient ward. The ward averages over 300 acute admissions per year with an average length of stay between 20 and 40 days. The medical team comprises of a two part-time Consultant Psychiatrists (Dr Al Kubaissy and Dr Beena Rajkumar) one Psychiatry Core- Trainee and one Specialist Trainee.

The ward prides itself on its multi-disciplinary team approach to patient care and, in addition to the above medical staff; we have a full contingent of junior and senior nursing staff, occupational therapy, and access to specialist psychology, physiotherapy and day hospital resources.

The role of the FT2 will be to do physical examinations and be a part of the MDT team in assessing and managing the patients. The FT2 trainees will have opportunity to review patients individually and to present them at ward round discussions.
